Quick Start Band Enrollment Guide: How to Join the Whitthorne Band in 3 Simple Steps!

This year your child can begin playing a musical instrument in the WMS Band program! When they bring home an instrument for the first time, it is more than just an exciting day, it is the beginning of a lifelong musical journey. By joining band your children will have fun, learn a beautiful artform, and develop life skills needed to be successful beyond their school career.

On the first day of classes, 6th grade students will not yet have band on their schedule. During the first week of school, Mr. Martin & Mr. Vogt will go to related arts classes to meet students, share more about joining band, answer questions, and enroll students in band officially.

Interested in joining band? Start by completing the steps below:

1. Complete the “Instrument Matching Tool” - <https://tinyurl.com/instrument-matching>

Explore the videos about each of the instrument options and then complete the “Instrument Matching Tool”. Once completed, you will receive an email with your instrument selection results and information for the next steps.

2. Complete the 6th Grade Band Enrollment Form - <https://forms.gle/2vL1W3HsYBssYRat8>

Once you have completed the Enrollment Form, you are officially in the WMS Band family! Please make sure to join the 6th Grade Band Remind Class. Text the class code @wms6band20 to the phone number 81010.

3. Have instrument and all materials ready by Thursday, August 27th

Attached to our email response (to Step 1), you will find information on how to rent an instrument and how to get all other books and materials. Once your instrument selection is complete, please make arrangements to have all materials ready for the 1st day with instruments on Thursday, August 27th.
